

Antik Tugra

Antik Tugra has established in 1967 and is located in Ankara, the capital of Turkey.

With more than 40 years of experience, our company has been specialized in producing and exporting silver.

Our constant goal is manufacturing and selling high quality silver with unique designs to our customers.

We try to effectuate this either in our retail shops or in our wholesale selling.

Our silver jewelry is mostly 925 carat or higher, colored with semiprecious stones (coral, turquoise, lapis lazuli, malachite, garnet, tiger eye, amber, mother of pearl and sweet water pearl).

We produce mostly hand made jewelry; silver necklaces, silver earrings, silver bracelets, silver rings, silver pendants, silver brooches for woman.

Silver cuff-links, silver tie-bars, silver letter openers, silver book marks, silver money clasps, silver key chains for man.

The home c accessories we sell (like silver frames, silver mirrors, silver spoons, silver plates, silver sugar bowls, silver vases, silver statuettes, silver boxes etc.) are in a vast product area.

Our products are original made by our silversmith masters to whom we work since years.

Our products have been exported to several countries and areas in the world like Munich, Tokyo, Hamburg, Dijon, Italy etc.
